

Spring Break has arrived and other than being able to relax for a week, we have much to celebrate in the College of Social Justice and Human Service. First and foremost, I would like to congratulate Dr. Janet Hoy and Dr. Christopher Roseman on their recent tenure approval and promotion to Associate Professor. We are very fortunate to have these two extremely well qualified and compassionate professors serve our College for years to come. Again, congratulations on this well-deserved achievement!

Last but certainly not least, I would like to congratulate and thank the members of the Strategic Planning Committee and the entire College for their hard work and dedication to developing our Strategic Plan. It is an honor to serve as your Dean, and I am delighted that Provost Scarborough has given his approval to our CSJHS Strategic Plan. Please take the time to view this month's Provost Corner video where Dr. Scott Scarborough discusses our newly updated strategic plan and provides insights from several of our faculty members who were interviewed <http://www.youtube.com/watch?v=P4rRqvZG8Fo#t=46>

Enjoy your Break!

---

### Announcements from the Department of Criminal Justice, Social Work and Legal Specialties

**The Social Work Program** will be hosting a workshop on Friday, March 28<sup>th</sup> from 10:00am – 1:00pm in room 1711 of the Health and Human Service Building. The title of the workshop is “Working with Suicidal Clients: Assessment and Intervention Strategies.”

**The Social Work Program's Search Committee** will begin the interviewing process after spring break.

Congratulations to **Dr. Cluse-Tolar** who had a very successful, well received public screening and discussion via simulcast on *Inequality For All*, a documentary directed by Jacob Kornbluth featuring Dr. Robert Reich, former Secretary of Labor under President Bill Clinton. For more information, please read the article which was featured in the February 12<sup>th</sup> edition of the City Paper.

<http://issuu.com/adamsst/docs/feb12tcp/1?e=5623297/6704598>

**The Criminal Justice Program's Search Committee** will finish its on-campus interviews today, Friday, February 28, 2014.

According to a latest article in *Journal of Criminal Justice Education* (2014), **Dr. Shanhe Jiang** has been recognized as one of the twenty most productive scholars for the period of 2010 to 2011 in criminal justice and criminology in terms of publication.

**Dr. Jiang's** articles are 7<sup>th</sup> and 18<sup>th</sup> most cited articles in *The Prison Journal*, one of the top journals in corrections. The Journal has a 94-year history. The two articles are “Inmate Misconduct: A Test of the Deprivation, Importation, and Situational Models” (2004) and “Social Support, Gender, and Inmate Adjustment to Prison Life: Insights From a National Sample” (2006).

**Dr. Jiang's** articles are 13<sup>th</sup>, 20<sup>th</sup>, and 50<sup>th</sup> most cited articles in *International Criminal Justice Review*. They are “Correlates of Support for Capital Punishment in China” (2008), “A Preliminary Study of Gender Differences on Views of Crime and Punishment Among Chinese College Students” (2007), and “Views of Formal and Informal Crime Control and Their Correlates in China” (2009).

## Announcements from the Department of School Psychology, Higher Education and Counselor Education

Feb 13 <sup>th</sup>	Allahabad	Presentation	Conference of Community Psychology Association India	<a href="http://www.shiats.edu.in">http://www.shiats.edu.in</a>
Feb 14 <sup>th</sup> - Feb 16 <sup>th</sup>	Early morning flight to Lucknow	Meetings, Interactions	National PG College	
Feb 16 <sup>th</sup>	Flight to New Delhi and catch the International flight later that evening.			
Feb 17 <sup>th</sup>	Arrival in U.S.			

#### Presentation:

Alcohol and substance abuse is one of the major concerns across the world. The presentation includes an introduction, main effects of alcohol and substances on the brain and body, how to break the cycle of addiction, and main practical approaches of CBT interventions. In addition, the presenter will focus on skills for replacing drugs and alcohol, stress management, and self-esteem development for these clients who face alcohol or/and substance abuse disorders. A discussion will complete the presentation.

#### Team Members:

Dr. Carol Bobby, President CACREP

Dr. Rick Gressard, Standard Revision Committee (SRC) CACREP

Dr. Sachin Jain, NCC, LPC, Chair- American Counseling Association- International committee

Sylvia Lindinger-Sternart, M.S., M.A., CRC, PC, Doctoral Candidate at the University of Toledo

Congratulations to the following counselor education doctoral students who took 2nd place in the American Counseling Association Ethics Competition:

Faculty Member: **Nick J. Piazza**

Student #1: **Robin M. DuFresne**

Student #2: **Allison K. Arnekrans**

Student #3: **Stephanie McGuire-Wise**

Student #4: **Jared S. Rose**

Please see the article below about a new baccalaureate degree option. Dr. Webster is a graduate of our Higher Education Doctoral Program, and Greg Guzman is a current doctoral student in our program. Congratulations to both individuals on a job well done. We wish them both much success with this exciting new partnership. Should you wish to congratulate them personally, Dr. Webster can be reached at [jwebster01@terra.edu](mailto:jwebster01@terra.edu) and Greg Guzman can be reached at [gregory.guzman@gmail.com](mailto:gregory.guzman@gmail.com)

### Terra wants to make education affordable

**L: Dr. Jerome Webster, Terra State Community College President and R: Greg Guzman, campus president of Herzing University-Toledo.**

**TOLEDO** — A third local school has joined a regional higher education consortium to help make obtaining a bachelor's degree more affordable.

The presidents of Herzing University-Toledo and Terra State Community College had a signing ceremony to announce the expansion of the Partnership for Affordable College Education program. The collaboration offers students the best of both worlds: the cost efficiencies of a community college education combined with the career-focused recognition of Herzing University. Northwest State Community College became the first PACE program partner last summer.

The cost of higher education, the challenges of a work-school-family balance and other potential obstacles are discouraging many students from pursuing a college education. This initiative looks to remove some of those barriers, making students' dreams to better their lives through education a reality.

"The PACE program is a great example of how institutions can collaborate to better serve students," said Dr. Jerome Webster, president of Terra State Community College. "This is a wonderful and affordable option for Terra State students who want to pursue a bachelor's degree in business administration."

Students can pursue the Bachelor of Science in business administration degree, which includes the highly-sought-after SAP educational component, and there are plans to add degrees in technology, health care and public safety to the program offerings.

To take advantage of the PACE program, students would complete two-thirds — three years — of their coursework through Northwest State or Terra State Community College, which offer the per-credit hour cost of a community college. Students would then finish the final third — three semesters — of their bachelor's degree through Herzing University-Toledo. The four schools are compatible because each institution is regionally accredited by the Higher Learning Commission and is a member of the North Central Association.

Herzing University-Toledo has the ability to offer a student's remaining business courses either in the classroom or online. As Lucas County's first SAP University Alliance Institution, Herzing University-Toledo also is in a position to offer training that is in great demand by local corporations and businesses.

"Herzing's bachelor's in business management degree helps to bridge the gap between higher education and the needs of northwest Ohio's employers," said Gregory Guzman, campus president of Herzing University-Toledo. "Those who pursue this business management degree will position themselves competitively for any future openings at some of the region's largest and most prestigious companies."

Sixty percent of all businesses globally run on the SAP Enterprise Resource Planning platform. Locally, companies such as Owens-Illinois, Owens Corning, Whirlpool, the city of Toledo, Marathon Oil, Cooper Tire, Rexam, Chrysler, Ford and Pilkington use the software platform to manage their businesses. Their need for a qualified and trained workforce is well-established.

Those interested in learning about the PACE initiative should call Herzing University-Toledo director of admissions Corey Heiserman at 419-776-0300 or the Terra State Community College admissions department at 419-334-8400.

Congratulations to **Lindsay English**, a Higher Education Program doctoral student from the Cleveland cohort, who successfully defended her proposal, entitled *The Influences of Community College Library Characteristics on Institutional Graduation Rates: A National Study*. Dr. Dave Meabon is the chair of her dissertation committee. We wish Lindsay much success as she begins gathering data for her dissertation study. If you would like to congratulate Lindsay personally, she may be reached at [lindsay.english@tri-c.edu](mailto:lindsay.english@tri-c.edu)

Congratulations to **Dr. Cory Stine**, a recent graduate of our Higher Education Doctoral Program, who has accepted a position as the Dean of Enrollment Services at Terra State Community College. We wish Cory much success in this new position. If you would like to congratulate him in person, he can be reached at [corystine@gmail.com](mailto:corystine@gmail.com)

Congratulations to **Kenneth Hale**, a Higher Education Program doctoral student from the Cleveland Cohort, who was recently selected as the recipient of the Cleveland Public Library's 2014 Drum Major for Change Award. We wish Kenneth much continuing success as the Executive Director of Early College and Outreach Programs at Cuyahoga County Community College District. Should you wish to extend your own congratulations to Kenneth, he may be reached at [kenneth.hale@tri-c.edu](mailto:kenneth.hale@tri-c.edu)

Another congratulations to **Kenneth Hale** who is now hosting a weekly, public affairs radio broadcast, that airs every Wednesday evening, from 6:00 pm - 7:00 pm, on Cleveland, Ohio radio station, AM 1490 WERE. The new and innovative radio program, "Education in America with K.D. Hale" examines national and local educational trends and topics in the areas of early childhood education, K-12, higher education and career and technical education. The radio program was designed to create a new media forum to promote education, and ultimately, provide students, young adults, parents, educators, and concerned citizens with solutions. In addition to airing on the radio, the program can be heard on the Internet, via live-stream, each Wednesday, from 6:00 pm - 7:00 pm, at [www.newstalkcleveland.com](http://www.newstalkcleveland.com) We hope you will all consider tuning in, and wish Kenneth much success with this educational initiative.

---

## Important Dates

You can find a copy of the University Calendar on the Provost's webpage at <http://www.utoledo.edu/offices/provost/main/calendar/>

Here are some highlights:

**March 3rd – 7th      Spring Break**

**April 28<sup>th</sup> – May 2<sup>nd</sup>      Semester Examinations**

Please send along any stories, announcements or comments on the newsletter to [angela.campbell@utoledo.edu](mailto:angela.campbell@utoledo.edu)
